RECERTIFICATION

Continuing Education must be an ongoing process to assure competence in the dynamic and changing field of alcohol and other drug dependency counseling and supervision of counselors. To maintain your certified status as a CADC-T in Georgia, recertification is required every year on the anniversary date of your original certification. A notification will be emailed to you about a month prior to the expiration date of your certification.

Although the ADACB-Ga. makes available recertification materials on the website to eligible counselors and supervisors, it is the responsibility of the counselor to make timely application for recertification.

The ADACB-Ga. does not have a policy for renewing certifications that have expired. In order to be sure your certification remains current, please notify the board in writing of any change in address.

EDUCATION

Education is defined as formal didactic or experiential methods of obtaining information and skills in the practice of addiction counseling and treatment. One clock hour of education is equal to 50 minutes of continuous instruction, and may include workshops, seminars, institutes, inservices, and college/university work. Education must be specifically related to the knowledge and skills necessary to perform the tasks within each IC&RC performance domain. All education must be documented.

Recertification requires documentation of completion of at least twenty (20) clock hours of continuing education in the one year period of your certification. Of these hours, 3 hours must be in professional ethics. Counselors may select trainings from a wide variety of opportunities, as long as the training and education pertains to alcohol and other drug addiction counseling performance domains. The ADACB-Ga. follows the guidelines established by the IC&RC.

A listing of local courses that are acceptable for AODA counselors is available on the Board website. Should you desire credit for a course outside of the AODA field, contact the office to ensure credit will be given.

CADC T certification is renewable annually for a period of 3 years. You must submit an annual supervision report, documentation of a minimum twenty hours of education with three hours in professional ethics, while achieving the requirements of 100 hours of education per year so that at the when the candidate has the required experience hours, they will have accumulated a minimum of 300 hours of education.

IMPORTANT NOTICE ABOUT EDUCATION HOURS
First Year/Application: Candidate must have minimum of 100 hours
Second Year/ First Recertification: Candidate must have completed a cumulative minimum of 200 hours
Third Year/Second Recertification: Candidates must have completed a cumulative minimum of 300 hours

The candidate may submits more hours in a particular year, but note that a candidate still must do 20 hours of education for each recertification even if they have exceeded the total hours required. For example, if the candidate turns in 300 hours in year one, the candidate will still need to complete 20 hours

Revised 04-2015
of education to recertify. If the candidate submits 100 education hours in the first year, they must submit a minimum of 100 education hours to recertify in the second year.
